Sony BMG Music Entertainment Corp, et al.*, case # BC 342359, filed in Los Angeles County Superior Court. As such, I am familiar with the facts, pleadings and history of this matter. I am submitting this Declaration in support of Class Counsel's application for an award of attorneys' fees and reimbursement of costs. The following facts are within my own personal knowledge, and if called as a witness, I could and would testify competently thereto.

2. I have extensive experience in the field of class actions, consumer litigation, and other complex litigation. Some of the major cases I have undertaken are listed on the attached Exhibit A.

The time reflected in this declaration was time actually spent, in the exercise of reasonable judgment, by myself in the course of this litigation, and includes, pre-filing research and due diligence, filing of an action in the Los Angeles County Superior Court, coordination with national actions, the Petition For Coordination of the California cases, settlement negotiations with defendant, attendance at court hearings, and communications with counsel on other cases filed around the country. My actions were closely coordinated with class counsel from the beginning of the litigation so as to avoid unnecessary duplication of efforts.

records, receipts, and other contemporaneously-recorded billing records, are an accurate record of expenses incurred in this litigation. The total unreimbursed expenses incurred by my office in this litigation is \$2,962.46.

5. Time spent in preparing this Declaration in support of my application for fees and reimbursement of expenses and any other time related to billing or periodic time reporting has not been included in summary of my hours and lodestar.

I declare under the penalty of perjury under the laws of California that the foregoing is true and correct.
